

To subscribe to Maxwell Mearns Castle Church YouTube channel, either click here www.youtube.com/channel/UCCpxerMxl_zs4I9speWJoMQ or open the YouTube app and search for "maxwell mearns".

Once there, click the red button labelled "subscribe" then click the bell next to it and select "all". This means that you will be notified when we go live. The pictures below show this process for a computer and a phone. Some TV providers also have the YouTube app built in to their 'boxes'.

Please note that you must have a YouTube account to subscribe. But don't worry, you can either sign up quite easily or you can just tune in every time there is a service on and watch then. It just means you won't be notified. This is also where to come to see other videos from MMCC.
