The financial statements have been prepared in accordance with the accounting policies set out on pages 13 and 14 of the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in its polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond. Maxwell Mearns Castle Parish Church holds services of worship alongside other activities. An update is given below.

The Aim of Maxwell Mearns Castle Church

Our aim as a congregation of Christ's people is to "glorify God and enjoy him forever"! Our desire is to "make" disciples of Jesus Christ and to be mature disciples of Jesus. We share in the incredible privilege of worshipping our Triune God together each week with our lips in praise and with our lives daily. We delight to see older and younger from our community come into a saving faith in Jesus Christ and finding the blessing of walking by His light and love.

National Context

The Church of Scotland has embarked on a radical plan to cut buildings and ministry posts throughout Scotland. This has had a hugely negative impact throughout Scotland's congregations and wearied our own elders. The ongoing discussions with local parishes have created uncertainty in our Congregation. The Presbytery Planning process, coupled to other theological/moral changes effected through the General Assembly, has made the fulfilling of our aims locally more challenging but even more essential.

Worship and Ministry

Worship is at the heart of our church life as we seek to praise God, listen to His word and respond in prayer and service. The year of 2022 began with a desire to put COVID behind us. Numbers in worship began to increase. We closed the year with super services in December celebrating the birth of Jesus with a Christmas Musical evening and wonderful extremely well attended Christmas Eve (about 170) and Christmas Day services (over 100). We were able to have Christmas Messy Church on Christmas Eve also.

We continue to be indebted to the many in our Congregation with technical, audio and visual skills. Our ministry on social media has become significant for us. A number of the Congregation participate from home and some join the service via the recording later (usually with about 140 views within a week).

Having resumed worship in the premises it was of great encouragement to be led by our praise band, singers and several from the Congregation. We continue to enjoy the sharing of many gifts on Sunday mornings as numerous members of the Congregation take part in addressing the children, praying and reading the bible.

In addition to morning worship, we had evening gatherings to think about personal outreach.

Leadership

In keeping with biblical principles and our formal church polity, our Congregational life is overseen by "elders" and a delegated Financial Board. We are blessed with two gifted and united leadership teams. We have been so grateful for the hard work of our Board Chairman, Jack Geddes and the manner in which he conducted his seven years as Chairman. We are delighted to have a new Chairman in Calum McPhail.

Increasing time and prayer has been given to the emerging new Presbytery Plan which hopes to cut significantly the numbers of ministry posts and Congregations. The Congregation has secured the right to remain as an individual Congregation. The Presbytery's decision on our continued use of our buildings and what share of a minister we might be allocated remains undecided.

Pastoral Care

The Pastoral Care Team continues to provide additional care alongside the elders and minister. We were saddened to lose two of our long standing members to death. Both had contributed significantly to our church life - physical and spiritual aspects.

Prayer

The Congregation continued its commitment to prayer. Around twenty folks continued to meet to pray on a Thursday evening ("The Pulse") and this began in person once more. We had a blended time with some on Zoom. "The Pray Now Group" was very active as numerous concerns of a pressing nature were passed down the Whatsapp group for prayer.

Home Groups

Our five home groups continued during the year and recommenced in-person and by Zoom.

The Castle Coffee Club

This ministry which serves the elderly resumed in 2022 and though smaller in number, has been a wonderful place of fellowship for those attending.

The Praise Band and Audio Visual

The Praise Band with guitars, drums, violin and singers continue to assist in leading worship wonderfully. We have a growing Audio-Visual Team which assists us in facilitating worship and live-streaming services. The team has been bolstered by three new young men.

Young People's Work

Toddlers: Toddler groups resumed on Monday and Tuesdays. Both groups have begun to grow in numbers again,

having been stopped because of COVID restrictions. Both days are led by our Children and Family worker.

Playgroup: The Castle Playgroup recommenced in January. Changes to council funding of registered playgroup places has meant lower number of children applying. There were sufficient applicants to run four days (Tuesday-Friday). One of our longest serving members of staff retired and she has been replaced by two new staff who share her hours.

Crèche: The Crèche recommenced but with just one or two infants and at the back of the youngest HizKidz class.

Holiday Club: We held a great summer club and numbers were back up to about 70.

Hizkidz and Teenage Work: We were delighted to appoint a new Youth Worker in the middle of the year. The ministry among teens and younger children continue under the oversight of our Children and Family Worker and the new Youth Worker along with Congregational volunteers. Though not under the governance of our elders, our Children and Family Worker runs four Girlguiding units (100 girls aged 5-18) on our premises and assisted by some in the Congregation. They are present in at least two services of worship each year.

Student Work: A group of post-high-school young people continue to meet for bible study and social events with the Youth Worker (a group even went on holiday to Portugal in the summer).

Schools: The Minister continues as Chaplain to Mearns Castle High School and Assemblies recommenced. The Christmas assembly was shared with a Rabbi and Imman. We participate in leading SU groups in the High School and Mearns Primary School.

Our Children and Family Worker continued to undertake assemblies at Mearns Primary and had a part in shared assemblies in other local primary schools. (We have been blessed with the ability to employ a part-time Children and Family worker and a full-time Youth worker. They have worked well with the Congregation and with one another.)

Outreach

Our area has an influx of Hong Kongers. We had two "Welcome presentations" on Health Care and Education during the year. We hosted a Fireworks night with 100 present. We have now begun to use a translator App in worship on Sunday mornings.

We led an Alpha course early in the year and followed this up with a social lunch and speaker to all who had come to an Alpha course (we had 36 guests). Late in the year we held a "Hope Explored" course and then a film afternoon with "A Case For Christ". Christy Ringrose/Campbell had a concert evening.

At Easter we had a great evening called "Easter in the Light". Using music, the scriptures, testimony and preaching we had a great evening of resurrection hope. About 150 attended. We also had a Christmas Musical Night with a newly formed Congregational choir. The praise band also participated. It was a wonderful evening of praise.

We continue a relationship with East Renfrewshire Good Causes. We store food/toiletries, deliver packages to needy homes and joint finance the personal needs of local residents.

We had a great Fun Day organised by the Playgroup staff. The premises were taken over by various activities and there was a huge turnout from the community. We were delighted to continue our Blythswood Shoe Box initiative on our premises at Christmas and over 5000 boxes were checked and dispatched to Moldova and other Eastern European countries.

We continued our financial support of various missions and missionaries overseas as well as partnering locally with East Renfrewshire Good Causes in the support of local families in need.

Property

We were hugely grateful to those who worked on the property during the year. We had considerable challenges with water ingress in the sanctuary entrance and lack of heating in the halls. The heating was resolved and the water ingress is under control but a final remedy still a work-in-progress.

Ecumenical Relations

We continue to accept opportunities to share in events with the local Baptist Church and Independent Evangelical Churches. One of our elders continues to chair the local Peace and Justice Forum.

Overview

Despite the challenges of emerging from Covid-19 conditions it has been busy but encouraging year in our Congregational life.

Financial review

The net surplus across all restricted and unrestricted funds was lower than the previous year and amounted to £1,775 (2021: £99,316).

One significant source of income in 2021 was from donations from the Congregation in response to the National Giving Day project. This did not recur in 2022, but the Congregation did continue to support the work of the church in a substantial way and donations and offerings increased to £174,447 (2021: £170,877). In 2021, other non-recurring income totalling £25,132 had been received as a grant to develop church premises and the final instalments of the government's job retention scheme. Income in 2022 did increase in other areas, including hall rental income as groups returned to use the church premises, and from fees raised from a full year of operation for the Playgroup. The church flat was leased to a family and a share of the rental income for the tenancy agreement with the Church of Scotland was returned to Maxwell Mearns Castle Parish Church.

Expenditure in the unrestricted funds fell by £2,681 to £184,587 (2021: £187,268). This included a reduction in the contribution to Church of Scotland, offset by an increase in property costs. A vacancy in the Youth worker position was filled during the year and expenditure against the Youth and Family fund that that was created in 2021 from the National Giving Day project, returned to budgeted level.

In the balance sheet, a fixed asset addition arose from investment in a new heating system for the Sanctuary at a cost of £12,534. Cash balances increased to £146,103 (2021: £132,054).

At the end of the year, the total Charity funds had increased to £289,732 (2021: £287,957).

Unrestricted Reserves Policy

Reserves are held to provide sufficient working capital to cover the ongoing obligations of the Church, including payments to central funds of the Church of Scotland to support other Congregations, staff costs, property maintenance and other running costs. At the end of the year, the Congregation had unrestricted funds of £82,776 (2021: £60,467), made up of the General Fund of £80,961 (2021: £60,078) and the Playgroup Fund reserves of £1,815 (2021: £389).

A breakdown of assets and liabilities between unrestricted, designated and restricted funds is given in note 11.

Risk Management: The principal risks facing the Charity are as follows:

Premises: The Church sanctuary and halls complex are around 49 years old and consequently require ongoing maintenance. To minimise the risks involved property maintenance requirements are reported and discussed at every meeting of the Congregational Board.

Mearns Castle: The Church property which the Charity uses are vested in the Church of Scotland General Trustees. The Church grounds also contain Mearns Castle. Mearns Castle is attached to the Sanctuary and is a 15th century building Grade A Listed "At Risk." The Kirk Session and Congregational Board continue to explore methods of mitigating the risk of the castle to the Congregation.

Structure, Governance and Management

The Congregation is a registered Charity, number SC017317, and is administered in accordance with the terms of the Model Deed of Constitution approved by the General Assembly of the Church of Scotland in 1994, and is subject to the Acts and Regulations of the General Assembly of the Church of Scotland. Members of the Kirk Session and the Congregational Board are the Charity Trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the Congregation and inducted by Presbytery. The Congregational Board is appointed from within the Congregation and members of the Congregation are invited to nominate individuals who are believed to have the skills and commitment to contribute to the management affairs of the Church, to become members of the Board. Board members are then appointed at the Stated Annual Meeting and serve for a period of three years, after which they must seek re-election at the next Stated Annual Meeting. The Congregational Board is chaired by the Chairman of the Board and normally meets eight times in a year. The Kirk Session which normally also meets eight times a year is responsible for spiritual affairs within the church. The members of the Kirk Session are also members of the Congregational Board.

Trustees: Responsibilities in Relation to the Financial Statements

The Charity Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in Scotland requires the Charity Trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the Charity and of the incoming resources and

application of resources of the Charity for that period. In preparing the financial statements, the Trustees are required

to:

select suitable accounting policies and then apply them consistently;

observe the method and principles in the applicable Charities Statement of Recommeded Practice;

make judgements and estimates that are reasonable and prudent;

• state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;

• prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the Charity and financial information on the Congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Maxwell Mearns Castle Parish Church Year ended 31 December 2022 Independent Examiner's Report

Independent Examiner's Report to the Trustees of Maxwell Mearns Castle Parish Church

I report on the accounts of the Charity for the year ended 31 December 2022 which are set out on pages 11 to 24.

Respective responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as

amended).

The Charity Trustees consider that the audit requirement of Regulation 10 (1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to

state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not

express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements:

• to keep accounting records in accordance with Section 44 (1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and

• to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or

• to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts

to be reached.

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities : Statement

of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity meets the definition of a public benefit entity under FRS102.

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the Charity.

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the Charity. If parts of the unrestricted funds are earmarked at the discretion of the Trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the Trustees' discretion to apply the fund.

Income

Income is recognised when the Charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donated services and facilities

Donated professional services and donated facilities are recognised as income when the Charity has control over the items, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the Charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102) the general volunteer time of Congregation members is not recognised. On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the Charity which is the amount the Charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market. A corresponding amount is then recognised as expenditure in the period of receipt.

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity. This is normally upon notification of the interest paid or payable by the Bank.

Accounting Policies (continued)

Fixed Assets

The Charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the

Church and Halls, vested in the Church of Scotland General Trustees. No consideration is payable for the use of

these assets. Expenditure incurred on the repair and maintenance of these assets is charged as expenditure in the

Statement of Financial Activities in the period in which the liability arises.

The Manse is recorded in the financial statements as the deeds are held in the names of the office bearers of

Maxwell Mearns Castle Parish Church.

All tangible fixed assets having a value to the Charity greater than one year, other than those acquired for specific

purposes, are capitalised. Items costing less than £10,000 are not considered to be capital expenditure and so are

charged as resources expended during the period.

No depreciation is provided on the Manse as both any depreciation charge and accumulated depreciation are not

considered material because the asset has a very long useful life and the estimated residual value is greater than

the carrying value of the asset. The Manse is subject to an annual impairment review.

Tangible fixed assets are depreciated on a straight line basis over their estimated useful life as follows:

Plant and equipment: 5 years

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses

represent the difference between the market value at the beginning and end of the financial year or, if purchased in

the year, the difference between cost and market value at the end of the year. Realised gains and losses represent

the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in

the year.

Taxation

Maxwell Mearns Castle Parish Church is recognised as a Charity for the purposes of applicable taxation legislation

and is therefore not subject to taxation on its charitable activities. The Charity is not registered for VAT and

resources expended therefore include irrecoverable VAT.

14. Contingent Liability

As noted on page 5, the Church property which the Charity uses are vested in the Church of Scotland General Trustees. The church grounds also contain Mearns Castle Mearns Castle which is attached to the Sanctuary and is a 15th century building Grade A Listed "At Risk."

In 2019, a meeting took place with representatives from the General Trustees and Glasgow Presbytery to discuss the way forward for Mearns Castle following concerns over the risk to the Congregation and general public from the effects of deterioration of the castle fabric. Following the meeting, some work was carried out including sealing of windows and measures to prevent bird access. A small committee continues to monitor any issues emerging in relation to the Castle and reports to the Congregational Board.

No obligation or cost is recognised at the date of this report because the nature and circumstances of an event requiring expenditure and the amount of such expenditure cannot be measured reliably and is not probable.
